Registration & Check-In

Studios and independent dancers may pick up their audition numbers and dancer wristbands at check-in on Friday or Saturday. Registration & Check-In is located in the ballroom/convention lobby. See times on the event schedule herein.

Dancer Wristbands & Audition Numbers

Each participating dancer will receive a wristband to gain access into the ballrooms. Each band is a specific color per the dancers age group: Mini (Pink), Junior (Purple), Teen (Teal), Senior (Blue). Every participating dancer will receive 2 audition numbers (with their names on them) - one to be worn on Saturday and the other on Sunday. Wearing your audition number is recommended in ALL CLASSES.

Studio Observers

Studios will be able to receive up to a max of 5 complimentary VIP Observer Lanyards for them and their studio staff. These VIP Observer Lanyards will provide access to all convention ballrooms. Studio staff must be wearing their lanyard to sit in any chair designated as a "Teacher" chair. To be eligible, studios must list all staff in their registration prior to arriving onsite at Revel.

Convention Observers

Parents of registered dancers are allowed into the convention classes if they purchase an Observer Band. Studios can purchase Observer Bands for their dance families in their registration portal. Observer Bands can also be purchased onsite at the Merchandise Table in the ballroom/convention lobby. Competition Spectators: REV-PASS

For safety and security reasons, any individual (except for registered dancers & studio staff) entering the competition ballroom must show their REV-PASS to Revel Staff at the audience entrance door. These dancers will receive a Showcase Reveler Certificate with details regarding their Showcase Rehearsal times and location as well as any other details regarding the performance. All Mini Revelers will be chosen to perform in the Remix Closing Showcase.

Ballet Barre

Every Sunday Morning at a Revel Event, the Teen & Senior Revelers will be able to participate in a Ballet Barre Class usually hosted in the MainStage Ballroom from 9-10am.

Dancer Safety & Wellness

Revel is one of only three Certified Events by Youth Protection Advocates in Dance (YPAD). This means that our team has undergone significant training in the areas of Safety & Wellness for young dancers, and are responsible for upholding the standards set forth by YPAD. These standards include, but are not limited to background checks for all Faculty & Staff, staff being certified in CPR and First Aid, and ensuring policies and procedures uphold REVEL's inclusive, equitable, and family-friendly environment. While attending REVEL, studios should expect convention classes with age-appropriate music and movement choices. REVEL expects the same from attending studios in terms of performances on the competition stage. We believe that as a community everyone can work together to create positive progress in the competitive dance industry. For more information on REVEL's certification through YPAD, please contact our Customer Experience Team.
